Dartford sit 11th place in table

Latest home game update : Dartford Win 3 – 0 Lewes Saturday 26th March Attendance: 1036

CHARLIE Sheringham netted a brace for the second time in five days as Dartford ran out comfortable 3-0 winners against a Lewes outfit which didn't really come out of the blocks. The chief reason for this was the fact Darts were really solid, with the back four defending extremely well. New signing James Rogers made an immaculate start wide left and, as ever, Lee Burns was energy personified. Kicking off towards the less favoured Academy End and into a biting wind straight from Siberia, Burns volleyed just wide of the left post in the opening minute. It was a mere respite for Lewes because Danny Harris smashed a looping volley inside Connor Gough's left post to put Darts one up. Encouraged, Lewes made a couple of substitutions but Darts adopted holding tactics with the introduction of Ryan Hayes, who mixed first-time passes with crosses beyond the Lewes far post to keep the visitors penned back. In the final minute a swift three-man move started by Hayes ended with a third goal, Sheringham hooking a shot home from inside the six-yard box.

New Signing - Welcome James Rogers

Update on team, Tony Burman confirmed the signing of James Rogers, formerly of Dover Athletic, is a left sided player who can play in the centre of midfield. Deren Ibrahim has signed dual registration forms with Margate, as 'Gate keeper Jamie Turner is currently injured. Adam Burchell has gone out on loan to Ryman Premier League side Maidstone United.

Awards for Dartford FC representatives

Dartford, like other areas of the Borough, has many residents who make or have made an extraordinary contribution to life in our community by giving that little bit extra to help others – the kind of people who make a difference.

These people, although they richly deserve it, do not seek thanks or recognition – people like the long-serving Dinner Lady or the person who goes out of their way to help his or her neighbours. However all of this is to change following the launch of Dartford Borough Council's Dartfordian Awards. On Thursday 24th March, Bill Archer, Dave Skinner and Tony Burman were invited to receive Dartfordian Awards at Home Gardens, Civic Centre. Dartford Borough Council is inaugurating the Dartfordian Award in recognition of the people who make the Borough what it is. Congratulations to Bill, Dave and Tony, an award well deserved.
