## December Update: Pitch News

Since the last news letter other than masses amount of rain the pitch has responded well to the treatments of fertilizer and of course the well needed over seeding... A groundsman's nightmare of rainfall has meant that unfortunately one game had to be postponed but thanks to the SUPPORTERS who helped Nick and myself on the 28-11-09 the game was able to go ahead. Again many thanks to the helpers for dispersing the water but most of all getting their feet wet!

As of this week the club is looking to invest in a **Bow Dry** water collector as used at places like Wentworth Golf Club and Lords cricket ground on a trial period of 2 weeks.

Litter especially around the ground and the astro pitch is becoming a real problem and **We are** having to waste far too much time on collecting what really could be prevented if people and PLAYERS would use the bins provided...

## Golf News

Not much to report on here, and as there has been no suggestions brought to my attention I assume my efforts to make the course easier in places and harder in others is to everyone's agreement...

**Turkey Trot – Sunday 20<sup>th</sup> December 9am – 3pm – Entry Fee £2.00 for annual members £8.00 for non members. JANUARY OFFER** – 18 holes for the price of 9. Members – 1 Free hot beverage from the bar after your round of golf. Please collect your free token from reception.

I would like to take this opportunity to say thank you to those golfers now that are repairing their pitch marks as this can only help to improve your putting surface.

If anyone would like a **free** lesson with an ex PGA Pro, please see Nicola or myself, as these will be available from the Spring.

As we are now in the winter months, please remember Tee off times are as follows:-
