RYMAN LEAGUE TENTH ANNIVERSARY

The Isthmian Football League this week celebrated its tenth anniversary of its sponsorship by the Ryman Group. The initial sponsorship agreement was signed on Monday, 12th November 1997 by League Chairman Alan Turvey and Ryman's Theo Paphitis.

Alan Turvey, the League Chairman, said, "This has been one of the longest and most successful sponsorships in football. Ryman have always supported the League during the ten years we have been together, and we look forward to a continuing relationship."

Malcolm Cooke, Ryman's Group Director, said, "Our association with the League has been a key part in the development of the Company, and we have been pleased to be associated with a well administered and thriving League under the leadership of Alan Turvey."

MR MARTIN EEDE

The news was received with concern this week that Martin Eede, former Director of the League until May, 2007, and currently Chairman of Fisher Athletic, had undergone a major operation at the Royal Marsden Hospital on Tuesday. The latest news is that Martin is in the intensive care ward, where he is expected to stay for at least the next few days.

WEEKEND REVIEW

No change at the top of the Premier Division, as Chelmsford City hold on to their three point lead over Hendon, but new leaders in Division One North – AFC Sudbury return to the top spot, whilst Dover Athletic go top in Division One South. And no change at the foot of the table, as Heybridge Swifts, Wivenhoe Town and Horsham YMCA, all playing at home, can only collect one point between them.

Harlow Town and Arlesey Town are the top scorers of the weekend with six each, followed by Dulwich Hamlet with five. Margate and Maidstone United score seven between them in the Kent derby, as the visitors Maidstone leave with the points.

The 32 matches over the weekend see 114 goals recorded, with three hat-tricks – Paul Barnes of Arlesey Town, Cody McDonald for Witham Town and Simon Gregory for Metropolitan Police.

Hastings United has a season's best crown of 1,536 for the visit of AFC Wimbledon, whilst 1,067 were at Chelmsford and 789 at Margate. Dover Athletic were watched by 906 in Division One South.

Premier Division

Chelmsford City's Glenn Pennyfather hailed young striker James Lawson after he added to Andy Duncan's first half opener with an exquisite second to keep the Clarets clear at the top of the Ryman Premier Division by three points.

Lawson's fantastic 56th minute strike came at just the right time to beat historically difficult opponents in Folkestone Invicta. With AFC Wimbledon winning and Horsham and Billericay Town slipping-up, the timely trio of points were welcomed with open arms by City, who maintained their 100% home record in the process.

Second placed Hendon won 2-0 at home to FA Cup stars Horsham, whilst AFC Wimbledon, now on a fine run of form without defeat since 4th September, stepped up to third place in the table with a 3-1 win at Hastings United – David Webb scoring two second half goals to clinch the points for the Dons. All eyes are beginning to turn to the League match on Saturday, 1st December, when AFC Wimbledon entertain Chelmsford City at their Kingsmeadow Stadium.

Ramsgate lost ground and dropped to fifth place as they lost 1-2 at Carshalton Athletic, but up to sixth place with a fine 4-3 local derby win at Margate are Maidstone United, now five games without defeat in the League. This was the first meeting between the two Kent clubs for 28 years, and saw the visitors come back from 3-1 down early in the second half to take the points home.

Harlow Town were the afternoon's top scorers, winning 6-2 at Harrow Borough, the Middlesex club dropping into the bottom six for the first time this season. Tonbridge Angels, without Jon Main for the first time, won 2-1 at home to Wealdstone for their new manager Tommy Warrilow, the winner from Hamid Barr coming with the last kick of the match.

Ashford Town (Middx) earned invaluable points with a 4-1 win at home to injury ravaged Billericay Town, but bottom club Heybridge Swifts could only share the points with fellow strugglers Leyton.

Division One North

With Edware Town being held to a 1-1 draw at Waltham Forest, AFC Sudbury were able to move back to top place in Division One North with a 2-0 win down the road at Waltham Abbey. Dartford retained third place despite

losing at the home of the Division's current form team, Redbridge, whilst Enfield Town and Bury Town swapped positions to remain in the play-off places – Enfield Town winning 3-2 at Tilbury, whilst Bury Town dropped points with a 2-2 home draw with Ilford.

Arlesey Town hit six at home to the recently improved Potters Bar Town, Paul Barnes hitting his second hat-trick of the week. Witham Town had the win of the afternoon, beating promotion contenders Brentwood Town 4-0 away from home – Cody McDonald scoring a hat-trick in their stunning victory.

Aveley's new manager, Rod Stringer, saw his new club win 2-0 at inconsistent Northwood, but Richard Carter now in charge at Wivenhoe Town, saw his side lose 1-2 at home to Great Wakering Rovers. Elsewhere there were home wins for Canvey Island, 3-0 against Wingate & Finchley, and Ware, 4-2 winners over Maldon Town.

Division One South

Dover Athletic returned to the top of Division One South as they beat Corinthian-Casuals at home 3-0, replacing previous leaders Tooting & Mitcham, who dropped points with a 2-2 draw at Sittingbourne. The top two meet tonight (Monday) in Dover.

Worthing, with five consecutive wins now, moved up to third place with a 3-1 win at home to Whitstable Town, moving ahead of Kingstonian and Cray Wanderers. Kingstonian finished 2-2 with promotion candidates Walton & Hersham, whilst Cray had the same scoreline on Sunday afternoon at home to Eastbourne Town.

Dulwich Hamlet were the Division's top scorers, winning 5-2 at home to Croydon Athletic, whilst Metropolitan Police won 3-1 at basement club Horsham YMCA. Chipstead took home the points from their 1-0 victory at Leatherhead, one of only two away wins in the Division on Saturday.

RYMAN YOUTH LEAGUE

With leaders AFC Wimbledon not playing this week, Kingstonian and Tooting & Mitcham United both recorded strong victories to narrow the gap at the top of the Youth League during the week.

Kingstonian beat Burgess Hill Town 7-2, with Michael Mullen scoring four of the goals, whilst earlier in the week Tooting & Mitcham United had won 5-3 at Carshalton Athletic – Dayo Junaid scoring a hat-trick.

Croydon Athletic also kept in touch with the leading group in fifth place with a 2-1 win at home to sixth placed Worthing.

In the First Round of the Isthmian Youth Cup, there were away wins for Harrow Borough at Ashford Town (Middx) and Leatherhead at Whyteleafe.

CLUB GOSSIP

AFC WIMBLEDON

AFC Wimbledon have signed Jon Main from Tonbridge Angels. Jon trained with the squad on Thursday and featured in Saturday's game at Hastings.

Following the transfer formalities being completed, Terry Brown said "I am delighted to have signed Jon. He has been our target since my appointment as Manager. His goal scoring record of 52 goals in 57 appearances is second to none. Jon will provide pace in behind defences and he has already set himself a target of 20 goals to add to the 17 he has scored for Tonbridge. Jon will definitely be in the starting line up for Saturday"

Jon Main said "I'm very sad to leave Tonbridge after having had a great time there but really looking forward to playing for AFC Wimbledon in front of their big crowds. Their overall aim and mine is to obtain promotion this season and eventually play in the football league.

AFC Wimbledon Chief Executive Erik Samuelson said "I am absolutely delighted that we have signed Jon. We first approached Tonbridge Angels about him two weeks ago. Since then we've been in discussions and, late on Sunday night, we agreed a fee with Nick Sullivan, the Tonbridge chairman. We met Jon after Tuesday's game and agreed terms with him. The two clubs have a very strong relationship and I'd like to thank Tonbridge, and Nick Sullivan in particular, for the professional and open way they have dealt with this transfer. It has been a pleasure to deal with them."

ASHFORD TOWN (MIDDX) FC

Ashford Town (Middx) Football Club signed experienced central defender Ben Martin on Friday on dual terms with St. Albans City and he made his debut at the weekend against Billericay Town.

Leaving the Club though after a short spell, is Dan Sacha, who is joining Corinthian-Casuals FC with a view to obtaining more first team football.

AVELEY FC

Aveley Football Club manager Dave Spittle offered his resignation after Saturdays defeat against Brentwood. The committee, having considered this over last weekend, accepted Dave's resignation at Tuesday night's visit to Dartford. Dave said that he felt it was right to step-down at this stage of the season and give somebody else as much time as possible to turn things around. The committee would like to thank Dave for his work during his stay at Aveley and wish him every success for the future.

The Club have appointed Rod Stringer to the position of Team Manager. Rod comes to The Millers from a similar role at Barking.

BURGESS HILL TOWN FC

Burgess Hill Football Club have released the following Press Statement:

After many years of managing the First Team at Burgess Hill Town Football Club Gary Croydon has decided to step down to concentrate on his role as Chief Executive of the Ryman League Club. With effect from Wednesday 14th November 2007, assistant manager Jamie Howell will take over in full charge of First Team affairs.

A spokesman for the Club said, "This was a difficult decision for the Board and for Gary to make, but the Board are satisfied that the decision is the right one and in the best interests of the Club. It had always been Gary's intention to relinquish control of team affairs at the end of this current season, but with exciting new developments on the horizon and the Board's decision to develop the Football Club as a Community Club with all that this entails it was felt that impossible burdens were being placed on Gary Croydon's shoulders. In addition, after a promising start to the season, recent results have been very disappointing and the Board felt that it was only fair to give Jamie Howell a fair crack of the whip to put his stamp on the team and show what he can do. With one third of the season over, Jamie will have plenty of time to develop the playing side."

Gary Croydon said, "I have enjoyed immensely my time working with the football team and I am proud of the results we have achieved over the years I have been here. Nevertheless, I felt that it was time for me to hand over the reins to give a younger man the opportunity of continuing the good work with the progress of the footballing side, whilst I get more involved in the growth and development of the Club."

BURY TOWN FC

BURY Town Football Club's season was dealt a blow this week with the news that their experienced striker, Ian Cambridge, is likely to be sidelined for the next two months. Cambridge was forced to leave the field during the Blues' midweek friendly game at Diss Town and has since discovered damage to his knee ligaments.

The former Histon marksman was returning from a three-week break following a groin injury, which has hampered his form all season. Town team manager Richard Wilkins said it was a blow for the player and the club as they bid to be in a Ryman League Division One North play-off place at the end of the season.

"When Ian has been fit enough to play he has shown his class. We were looking forward to getting him back to full match fitness," said Wilkins. "The injury he has will take at least six to eight weeks to heal and I do not expect to see him back until after Christmas," he added.

The midweek match was arranged by Wilkins after his side had given a lacklustre league performance away at Maldon Town on Saturday.

CARSHALTON ATHLETIC

Hayden Bird, Manager of Carshalton Athletic, has commented on the departure of Craig Dundas to Sutton and the arrival of Steve Sargent

"Following Sutton United's defeat last Saturday, their board met and to the best of my knowledge, agreed to substantially increase the playing budget. Having done so, they were in a position to make Craig a further offer which he felt he had to accept. I am told the offer made it very worthwhile for him to stick his neck out and accept a new challenge. To be fair to him, he is a young man who has a young family to support. With this in mind, Craig has decided to sign for Sutton United. We wanted to and did our utmost to keep him. However, he has decided to move on and we wish him well and thank him for his services. Craig was very popular here and rightly so. He gave everything for Carshalton Athletic and as a manager, coach or supporter, no one could ever question his effort week in week out. However, the additional funds created from Craig's departure will be used to strengthen us further.

So far as Steve Sargent is concerned, during my short spell at Leatherhead two players really impressed me. One was Dean Carpenter and the other was Sarge. Steve is an excellent footballer with an excellent attitude. He will add valuable experience to our squad, having played at this level and above at both Crawley Town and Bognor Regis Town. Steve was expected to sign for Hastings United, so I am delighted to have signed him at the eleventh hour"

HENDON FC

Hendon's happy Centenary season continues.

Hendon's victory over Horsham on 17th November was the Greens' ninth of the 2007-08 campaign, their 100th season. Just two seasons ago, 2005-06, they mustered only nine wins in their 42 matches. After 17 games this term, they are within seven points of matching their total for the whole of that season and their 32 points so far are four times the number they had accrued at the same stage of last season.

HORSHAM FC

John Maggs has masterminded the Horsham revolution in a magnificent seven years. The Ryman League club are enjoying the greatest season in their 126-year history as they prepare for their first-ever game in the second round of the FA Cup.

Their historical 4-1 win over Conference south Maidenhead in front of a bumper 3,379 crowd was hailed as the club's most famous triumph - and they were celebrating again 24 hours later when the second-round draw paired them with League One Swansea.

Maggs has plotted the club's upturn in fortunes since he was appointed manager in January, 2000. He was at his lowest ebb and the Hornets were on the verge of dropping back into the County League when they came together.

Maggs had just ended a 37-year association as player, manager, chief executive and chairman of Crawley, carrying the can when Reds went into administration.

Maggs, 64, said: "I was ready to drive my car over the end of Beachy Head. I was devastated. Crawley was my life - what happened at the end really hurt. I was so down and depressed my wife told me to get out of the house and go to a football match so I went to see Horsham.

"The chairman, Frank King, spotted me in the crowd and asked me what I was doing there. He was keen for me to get involved straight away. It looked as if Horsham would be going back to the County League if something wasn't done. So we had a meeting and I agreed to help and it's gone from there."

Maggs' first job was to stave off relegation from the Ryman League, which he achieved. He has since guided them to two promotions and the fourth qualifying round of the FA Cup three times. They have also lifted the Sussex Floodlight Cup - beating Crawley in the final - and finished runners-up to Lewes in the Sussex Senior Cup.

Maggs added: "The success has been planned - it is certainly not a fluke. My former assistant Tommy Warrilow, who went to manage Tonbridge Angels last week, was a big influence on the training field and in the dressing with his coaching ideas and motivation. We've had to show patience in gradually building a side with limited resources and it has got stronger and stronger.

"We've now got the best group of players I have worked with in more than 45 years in the game and they play good football. They are an excellent bunch of lads and there is a superb team spirit.

"I'm not talking about a spirit that is there when we are doing well. It remains if we lose two or three games. I am so proud of them and believe there is a mutual respect between us. That same spirit runs all the way through the club.

"Our volunteers who look after the turnstiles, sell programmes, tidy up and whatever are special. All clubs have them but ours come all the time.

"And Frank has been at the club for more than 60 years and has been fantastic for Horsham and me. People might say the club owe me for what we've done in the last seven years but I owe them. You could say the club almost saved my life."

MAIDSTONE UNITED FC

Maidstone United received some very good news this week as it was announced that both Chris Smalling and Butch Ulph have been informed that they have progressed to the last 32 stage of the England Schools' Under 18 trials to be held at Lilleshall in December.

This is the second successive season that Maidstone United players have made this stage of the selection process. Last season Butch Ulph again made it this far but sadly did not make the final cut. However, Sam Morrison did make the final squad and played twice for the national side against Belgium and Wales respectively.

Hopefully both players will be rewarded with selection this season.

SITTINGBOURNE FC

Sittingbourne Football Club have announced that their new manager is Gary Abbott.

42 year old Gary has played at Conference level and Ryman Premier League level for the last 25 years and until recently was involved with Cray Wanderers as a player and coach. Gary is very well known in non league circles and former clubs include Aldershot Town, Slough Town, Barnet and Welling United amongst those that he has played for.

He has worked under some influential managers including Peter Taylor, Barry Fry, Brian McDermott and George Borg.

Gary was awarded Non League Player of the year in 2000 and also holds 3 England Caps.

Gary's first game in charge was on Saturday at home to title chasers Tooting & Mitcham United.

STAINES TOWN FC

Easily the best time he has had since joining Staines Town Football Club over three decades ago is how their chairman, Alan Boon, described his team's FA Cup first round draw.

Staines Town are now gearing up for a home re-play with Stockport County on Monday, November 19, following a one-all draw with the league side.

Chairman Alan Boon said it had eclipsed everything in his time at the club. He said: "Let's hope the dream continues. It is the magic of the cup and I hope we will get a lot of new people who will see the facilities we have got, and hopefully one or two of them will come back."

The game, at Wheatsheaf Park, Staines, has been selected for live Sky Sports coverage on Monday, from 7.45pm. The ground's floodlights will undergo improvements and

work to the pitch will be carried out before the big kick-off.

Mr Boon, who joined the club 34 years ago and has been chairman for 21 years, said: "When we got the re-play, everything just snowballed - especially the publicity. Sky, radio - it has just gone off the map and we were in the second round draw and we got a home tie."

If Staines beat Stockport, they will entertain League Two side Peterborough United in Round Two on the weekend of December 1/2. Mr Boon said: "I am hoping that we will have a big crowd, it's on Sky Sports and I hope everything goes fine and we get a good football match. It is the first time ever we have got this far. You do not get an opportunity like this often. We have never not lost to a League side and I hope that continues.

"I went into the town and into a couple of shops. A lot of people stop me and congratulate us - but a lot of people don't know we exist. This cup run can really put Staines Town on the map."

TOOTING & MITCHAM UNITED FC

Tooting & Mitcham United FC boss Billy Smith has signed two forwards in Dale Marvell and Cedric Kobongo to boost his squad as the Ryman League Division One South leaders prepare to ward off a fierce challenge from second-placed Dover Athletic.

Marvell, who was with Smith at Carshalton Athletic three years ago, has had a spell with Epsom & Ewell and can also play as a right-winger. Kobongo, equally at home in midfield, was previously with Dulwich Hamlet.

Smith said: "I don't always go for the big names - I like to bring in players who are hungry for success and that is the case with Dale and Cedric. They give us another option and give us insurance if we suffer injuries.

WEALDSTONE FC

Some 20 fans attended the Q&A session with Chairman Howard Kraiss after the Hendon game. The Chairman provided a frank view of life at the helm, as well as outlining future plans and aspirations. There are a number of potential opportunities in the pipeline for the Club to develop and sustain their future, Once these develop more Howard has promised to share progress with all.

WITHAM TOWN FC

Witham Town have announced that Phil Goodwin has decided to join club after the month loan from Heybridge Swifts had expired.

Phil's arrival coincides with Witham Town's turnaround in fortune, which has seen the Town with six victories from their last ten games.

FA TROPHY – PROTEST re INELIGIBLE PLAYER

An FA Trophy Protest Sub-Committee meeting was held on Wednesday, 14th November 2007 to consider a protest from Rushall Olympic regarding the inclusion of Kieran Fletcher who played in a Second Round Qualifying tie for Clitheroe whilst under suspension.

As Clitheroe had admitted a breach of FA Rule E10, the Protest Sub-Committee decided that the protest is upheld as Clitheroe have breached The FA Trophy Rules by playing an ineligible player. The Sub-Committee meeting decided in accordance with its discretionary powers that Clitheroe should be removed from the Competition and that the tie is awarded to Rushall Olympic. No fine is imposed and no further action is necessary as removal from the Competition is considered sufficient punishment.
