ISTHMIAN LEAGUE CUP

The draw for the Quarter-Finals (Fifth Round) of the Isthmian League Cup will be published on Thursday, 17th January on ClubCall at 9.00 a.m., and then afterwards on the League website. Matches are to be played week commencing Monday, 10th February 2008.

The five Clubs through to the quarter-final draw are AFC Sudbury, Edgware Town, Ramsgate, Tooting & Mitcham United and Walton Casuals.

They will be joined by the winners of the Fourth Round matches between Heybridge Swifts and Dartford (playing 15th January), Wealdstone and holders Ashford Town (Middx) (29th January) and Tonbridge Angels and Carshalton Athletic (5th February).

WEEKEND REVIEW

No change at the top of the Premier Division with Chelmsford City still leading, but Dartford and Tooting & Mitcham United are the new leaders of Divisions One North and South. On a day when more matches took place than could have been expected during the heavy rainfall on Friday evening – just seven matches fell to waterlogged pitches – there were just nine home wins in the twenty three League matches played.

Dartford were the afternoon's top scorers with five at home to Ilford, whilst Potters Bar Town and Tooting & Mitcham United scored four

LEAGUE NEWS

apiece. There were a total of seventy three goals in the twenty three games, but no hat-tricks at the weekend.

Premier Division

Chelmsford City increased their lead at the top of the Ryman League Premier Division to six points with a 2-0 win at Harlow Town. Goals in each half from James Lawson and Stuart Ainsley saw the Clarets overcome the Hawks on a muddy Barrows Farm pitch.

Meanwhile second placed Hendon slipped to their third successive defeat losing 2-1 at fifth placed Ramsgate. The visitors had taken an early lead in the first half, But goals from Danny Dolton and Warren Schulz midway through the second half were enough for Ramsgate to consolidate their fifth place play-off position, level on points behind Staines Town, who had drawn 3-3 at the improving Carshalton Athletic.

Harrow Borough maintained eighth place with a 3-0 win at troubled Leyton, just ahead of Maidstone United and Horsham, winners against Boreham Wood and East Thurrock United respectively.

Heybridge Swifts picked up vital points with a 3-1 home win against Wealdstone, but Hastings United, currently in twenty-first place, could only draw 0-0 at home to AFC Hornchurch.

Division One North

Dartford are the new leaders of Division One North following their 5-0 home win against relegation threatened Ilford, taking advantage of a home slip by last week's leaders AFC Sudbury, held to a 1-1 draw by Great Wakering Rovers.

Edgware Town lost to the only goal of the match at home against Enfield Town, to let their opponents move ahead of them into third place, whilst Ware moved quietly up into the final play-off place with a 3-2 win against the strong Bury Town side. Sixth placed Maldon drew 0-0 at Aveley, whilst the next three clubs – Redbridge, Brentwood Town and Canvey Island, were all idle due to waterlogged pitches.

Potters Bar Town won 4-3 at home to Tilbury, whilst Northwood and Arlesey Town shared six goals in the final match in the Division.

Division One South

Having moved to top of Division One South in midweek, Tooting & Mitcham United consolidated their leadership with a 4-0 victory at Leatherhead. The previous leaders dropped two points at home to Eastbourne Town, as the Sussex side held their hosts to a goalless draw in Kent.

Third placed Cray Wanderers were without a game due to the unfit pitch at Ashford Town, whilst Metropolitan Police, 2-1 winners at home to Walton & Hersham, exchanged places with Dulwich Hamlet, held at home to a 1-1 draw by Chatham Town.

Form team Sittingbourne beat Whyteleafe 3-2 at home under new managers Gary Abbott's

guidance – and are now undefeated in their last six matches. Kingstonian, just above them in the League table, could only draw 1-1 at Walton Casuals.

Molesey, also without a game due to the weather, are now seven points adrift at the foot of the table, where Horsham YMCA hauled themselves up to match Walton Casuals and Eastbourne Town on 20 points with an excellent 2-1 win over local rivals Worthing.

FA Trophy

AFC Wimbledon won the Ryman League battle for a place in the last sixteen of the FA Trophy with a strong 4-0 win at colleagues Tonbridge Angels. The Angels were unable to reproduce the form that upset Conference side Oxford United, and in front of a good crowd of 2,281, the Dons won the match played on a very heavy pitch to progress to Monday morning's Third Round draw at Soho Square.

AFC Wimbledon are the only Step 3 club in the country to reach this stage of the competition.

Ryman Youth League

Just two matches survived the January weather this week. Burgess Hill Town beat Horsham YMCA 2-1 at home on Monday evening, whilst Tonbridge Angels won at Maidstone United by a similar scoreline on Thursday, with no changes to the positions in the Youth League table as a result.

CLUB GOSSIP

AFC SUDBURY

AFC Sudbury manager Mark Morsley was quick to add to his squad after agreeing to let midfielder Luke Hammond go, as into the club comes Gareth Simpson from Mildenhall Town.

Twenty seven year old Simpson, a target for Morsley when he was manager at Needham Market, is a combative midfield player who has previously played for Cambridge United, Cambridge City and Diss Town before joining Mildenhall Town.

Of his new man Morsley said, "He has signed until the end of this season with an option for next term. I have rated him for several seasons and he will bolster up the midfield area giving us a more physical presence."

BURY TOWN FC

Former Bury Town defender Ian Miller is close to completing a permanent move to League Two Darlington, where he has spent two spells on loan. Quakers manager Dave Penney hopes to complete the signing of the former Bury Town man in the next few days.

Penney said: "We're in talks with Ipswich now. We've offered him an 18-month contract and we want him to stay. It's just a matter of things being sorted out at Ipswich and hopefully in the next day or two he'll become a Darlington player."

Miller joined the Blues from Ryman League Division One North side Bury in September 2006 after a trial, having impressed the Town management in a pre-season friendly at Ram Meadow.

HASTINGS UNITED FC

Press release from Hastings United FC

Hastings United Football Club is delighted to announce the appointment of Tony Dolby as the new First Team manager at the Pilot Field, with Mike Rutherford joining as his assistant.

The pair struck up an excellent working relationship during a four year spell in charge of Tonbridge Angels, which was brought to an end a couple of months ago as the Kent side struggled near the foot of the Ryman League Premier Division table. They will be facing a similar challenge at Hastings, with last season's Division One South play-off winners currently languishing in the relegation zone, leading to the departure of Nigel Kane from the manager's hot seat at the end of December, since when United have been under the caretaker control of Reserve Team

management duo John Lambert and Wayne Farrier.

Tony had initially joined Tonbridge as a player ahead of the 2003/04 season, but at just twenty-nine years of age, found himself elevated to the role of player-manager within a matter of months, appointing Mike as his right hand man shortly afterwards. They led the Angels to a third place finish in the Southern League Eastern Division and a place in the Ryman Premier following the restructuring of the non-league game. Relegation to Division One South followed in their first full season at the helm, but Tonbridge bounced straight back the following season, again finishing third, but winning promotion via the play-offs, and went on to secure a comfortable mid-table finish in the 2006/07 campaign.

Both men started their playing days in the Football League, Tony with Millwall, and Mike with Queens Park Rangers, although both went on to spend the majority of their careers in the upper echelons of non-league football. But while Tony appeared for the likes of Barnet, Gravesend & Northfleet and Welling United, amongst others, Mike was more of a one club man, making over 300 appearances in an eight year spell with Welling, before joining Chelmsford City and subsequently being forced into semi-retirement by a niggling knee injury.

Still only thirty-three, it is hoped that Tony will also add some much needed experience to a youthful United playing squad, with Hastings Chairman Dave Walters also promising to provide his new manager with additional funds to further strengthen the squad, as the Club strives to retain its Premier Division status.

Dave said of the appointment, "We are delighted to secure the services of Tony Dolby as our new First Team manager, along with Mike Rutherford as his assistant. Although we advertised the post, there were a couple of people targeted who we wanted to speak with, Tony being one of them. He is only thirty-three but has managed at this level with Tonbridge and secured promotion for them a couple of years ago. He has extensive contacts in the game and will be looking to strengthen the squad immediately. We are convinced that Tony and Mike are the right men to give us the best possible chance of avoiding relegation this season and to build for the future. We would like to thank John and Wayne for their considerable efforts in holding the fort since Nigel's departure, and are very pleased that they have agreed to carry on doing the

extremely valuable job of looking after and nurturing our very good Reserve side."

Tony was introduced to the players before United's home game with AFC Hornchurch this afternoon, and then watched from the stands as Hastings played out a rather tedious goalless draw. He will now officially begin the task of keeping the Club in the Premier Division, with the visit to East Thurrock United next Saturday being his first match in charge.

MAIDSTONE UNITED/TONBRIDGE ANGELS FCs

This weekend at Lilleshall, the final trials for the England Schools' FA Under 18 squad will be held. Four players who currently play their football with Isthmian Youth League clubs will be hoping that they make the cut for the final 16 man squad. Maidstone United will be hoping that defenders Chris Smalling and Ashley Ulph are given the honour of representing their country (as happened last season with Stones' Sam Morrison), whilst Tonbridge Angels will be hoping for success for their two representatives at the trials, midfielders Nick Rich and Jack Maddams.

The trials have now reached the stage whereby only 34 players remain in contention for selection for the final squad. The trials took place between Saturday and Sunday 12th/13th January at the National Sports Centre at Lilleshall.

WEALDSTONE FC

Press release from Wealdstone FC

Wealdstone FC announce that a consortium of senior members of the Club have acquired a majority shareholding in Ruislip Manor Sports and Social Club (RMSSC), the sports club that owns the lease to the football stadium and associated facilities across the 12 acre site.

Shareholders, players and supporters were invited to a special meeting on Sunday 13 January at the Grosvenor Vale site when they heard about the development from Wealdstone FC Chairman, Howard Kraiss and Vice-Chairman Peter Worby.

With the groundshare agreement at Northwood coming to close and no finish date in site for the Club's long term Prince Edward Playing Field development, Wealdstone intend investing in the Grosvenor Vale stadium to upgrade the playing facilities as a priority in order to meet the necessary ground grading requirements to play Ryman Premier League football in the 2008/9 season.

Looking further ahead Wealdstone's vision is that Grosvenor Vale will provide an opportunity to successfully reach out to the wider community and embrace other local sports clubs and organizations to maximize the use and potential that exists at the site. It will also be an ideal permanent base for the club's highly successful youth and reserve teams. Both sides have previously used the facilities on a rental basis during recent seasons, with Wealdstone reserves playing there this current season.

Said Kraiss, "It is well known, and I have clearly stated several times in the past, that with the Club running out of funds and time we had to find solutions that could help secure the future of the club.

"Ruislip Manor Sports & Social Club have been in some difficulties for some time and on the verge of going out of business altogether. When we were invited to talk to the people at Ruislip we decided to act quickly to take this opportunity as we believe there is great potential in the site.

"Whilst negotiations continue with Football First over the Prince Edward Playing Field development we still have a responsibility to continue to look at all viable options and to build on the progress of all sections of Wealdstone FC to bring them under one roof.

Vice Chairman Peter Worby is one of the consortium of investors that includes fellow Wealdstone Directors Paul Rumens and Quentin Fox and former Director Dominic Whyley. Peter commented "We are very excited by the potential at Ruislip Manor but this will involve a great deal of hard work, practical support and fund raising from all connected with the Stones, and a great deal of physical work will need to be completed in a short time frame. I am confident that this can be done and part of Sunday's meeting was about calling on people to contribute in whatever way they can, including financially."

Howard Kraiss concluded, "This is the start of a new era for Wealdstone Football Club. After 17 years of groundsharing we will finally have a home of our own. Whilst the hard work starts now we are very excited about the potential of building the club that we all want Wealdstone to be."

WITHAM TOWN FC

Witham Town's Manager Ken O'Donnell resigned shortly after the sides 2.0 home defeat to Arlesey Town last week. O'Donnell had taken the club up to 14th in the Ryman League Division One North and gave the club a splendid F.A. Trophy run beating Ryman Premier side Horsham in the process. Ken leaves the Spicer McColl Stadium hotseat with many friends who would like to thank him for all that he has done for Witham Town Football Club and wish him well for the future.

Witham Town Chairman Tony Last will be caretaker Manager until the end of the season, Tony will be assisted by Goalkeeper Paul Daley who had assisted Ken O'Donnell in the last three games.

WITHAM TOWN FC

Press release from Witham Town FC

Witham Town Football Club and Braintree College are delighted to announce the launch of a new Football and Education programme commencing September 2008.

Aimed at school leavers the course provides aspiring young players with the opportunity to continue their academic studies whilst at the same time developing their football ability, with the ultimate aim of breaking into the first team at Witham Town Football Club. The programme is based around the BTEC Sport courses offered at Braintree College.

Students who enrol on the course will have access to nine hours per week professional coaching with the added attraction of playing competitive fixtures.

A Taster Day has been arranged for prospective new students/players on Saturday 16th February 2008 at Witham Town Football Club. The day starts at 9.30 am with football training and trials and is followed by a presentation by Braintree College on the academic element of the course.

Witham Town Football Club welcomes this exciting opportunity to partner Braintree College and AVC Sports Management in bringing genuine professional levels of fitness, improvement in individual skills, and an increased knowledge of the game to young players in the local community.

Witham Town intend to work with other clubs in the area to make sure the scheme truly benefits everyone but as it has always prided itself on providing young players from the local community, many of whom will have been with

the Club since playing mini-soccer, with early opportunities to move into the National League system. The Club sees the advanced coaching techniques and improved fitness levels as a genuine opportunity to further increase those numbers and in turn to strengthen the ability levels throughout the Club, which, of course will further advance the playing ambitions of Witham Town.

Braintree College offers high quality education and training to over 1000 young full-time students each year, including vocational courses, A Levels, work based and work related opportunities. The friendly and supportive environment, excellent teaching, extensive pastoral support provided by dedicated tutors and wide range of facilities make the College an ideal place to study. The College is situated on a thirteen-acre site Braintree and a second site in Witham. The Braintree campus includes a multi-purpose sports hall and state-of-the-art fitness suite.

For further information and an application form to attend the Taster Day on Saturday 16th February 2008 at Witham Town Football Club please contact the Central Admissions Team at Braintree College on 01376 321711 or email enquiries@braintree.ac.uk

WIVENHOE TOWN FC

Manager Richard Carter has put pen to paper on a contract that will keep him at Wivenhoe Town F.C. until the end of the 2009/10 season.

Richard said "I'm very pleased to have agreed my future at the club this evening. Mike and Julia Boyle and the Committee have been supportive in everything I have asked for since I have arrived and have been a great support, we are building a good team on the pitch and now my future is settled I hope that we can continue to do so and avoid relegation."

Joint Chairman Julia Boyle said, "We are delighted to have secured Richard's services for the next two seasons. In the last two months he has worked tirelessly to turn around the clubs form, and we have been impressed with his commitment and attitude, and are pleased that he has agreed to commit himself to the Club for the foreseeable future."

PLAYER AVAILABILITY - AFC

WIMBLEDON

AFC Wimbledon has the following player available for transfer and a fee is required.

Robin Shroot – 26th March 1988

Robin is a very talented, confident goal scoring Under-20 Northern Ireland international. His opportunities of 1st team football are limited due to the side's current position and Robin feels he needs to be playing 1st team football at this level on a regular basis. His current loan period at Harrow Borough has seen him play eight games and score five goals.

Robin is a goal scoring midfield/forward, good with both feet and with an eye for goal. His current loan period is soon to expire and he is available immediately.

Robin is a contracted player so cannot be contacted direct. Enquiries should be made to Terry Brown, the team manager on 0797 317 2073 or David Charles, club secretary on 0771 229 5266

PLAYER AVAILABILITY – CAMBRIDGE UNITED FC

The Cambridge United Goalkeeper Luke McShane is available for permanent transfer. Luke is a non-contract player and he has been made available for immediate permanent transfer.

Luke McShane - Age: 22; height: 6' 1"
First Team Apps 2007/08: 3

22-year-old stopper signed in July as cover for Danny Potter after ending last season playing regularly for reserve side CRC in the Ridgeon's Premier League.

Peterborough-born Luke's career began with his local club and he made one senior appearance for the Posh, keeping a clean sheet on his surprise debut in January 2005 in a 2-0 win against MK Dons in an FA Cup 3rd round tie. He was called into action just ten minutes before kickoff when first choice 'keeper Mark Tyler injured his back in the warm-up.

Released in March 2007, Luke signed non-contract for CRC and played in the remaining games of the season, making an important contribution as United's scholars escaped relegation. A brave and confident 'keeper, he is eligible to play for both CRC and the first team. Luke also appeared for Gravesend & Northfleet (now Ebbsfleet United) on loan.

Expressions of interest should be via either the Club Secretary Wayne Purser or the Management Team of Jimmy Quinn (Manager) 0782 333 0099 or Alan Lewer (Asst Manager) 0782 333 0088.
