The award for the "Team Performances of the Month" recognises a particularly noteworthy performance by a Club during the month from any of its first team matches in all competitions played.

AFC Hornchurch have won the "Performance of the Month" award for the Ryman League Premier Division. Having steadily climbed up the table in recent weeks to move into the play-off places, AFC Hornchurch travelled to League leaders Chelmsford City on the second Saturday in the February, and produced a stunning 4-0 win against their hosts. This also completed the League double over their Essex neighbours at the same time, having beaten the Clarets 1-0 at home on 1st September.

After an indifferent start to February, Redbridge entertained Edgware on the last Saturday in the month. Edgware are the team boasting the best defence in the whole Ryman

Football League, having only conceded seventeen goals in 31 League matches in a season when they had won three Golden Gloves awards. That made little difference to Redbridge, who overwhelmed their visitors to win 5-0, and win the club the Division One North Team Performance award.

Walton Casuals won the February Team performance award for Division One South for their performance in travelling to Premier Division Carshalton Athletic in the Quarter-Finals of the League Cup, and having held their hosts to 1-1 at the end of extra time, went on to win the match 5-4 on penalty kicks to reach the semi-finals of the Cup for the first time in their history.

ISTHMIAN LEAGUE CUP

The Final of this season's Isthmian League Cup competition, between Heybridge Swifts or AFC Sudbury and Walton Casuals or Ramsgate will be played at Dartford Football Club's Princes Park Stadium on Wednesday, 2nd April 2008 – kick-off 7.45 p.m.

WEEKEND REVIEW

No change again at the top and bottom of all three Divisions, and as the season reaches its closing weeks, there is unlikely to be much movement at the very top and bottom of these three very competitive Divisions.

Chelmsford City dropped two points at Folkestone Invicta, allowing AFC Wimbledon to move just eight points behind with each club just nine games to play.

Dartford remain five points clear of AFC Sudbury in Division One North, whilst Dover Athletic are now thirteen points clear of second placed Tooting & Mitcham United, having won by the only goal of the match at the Hub at the weekend.

No hat-tricks this weekend, but 84 goals were scored in 33 League matches. Five clubs each scored four goals – AFC Wimbledon,

Redbridge, Maldon Town, Dulwich Hamlet and Eastbourne Town.

Crowds on Saturday afternoon were generally good, with AFC Wimbledon, Dartford and Tooting & Mitcham United all being watched by crowds in excess of one thousand.

Premier Division

Leaders Chelmsford City were held to a goalless draw on Saturday afternoon on their visit to Folkestone Invicta, allowing AFC Wimbledon, 4-0 winners at home to Hastings United, to close the gap at the top of the table to just eight points. And the two clubs meet in Chelmsford in a fortnight's time, just a week after Chelmsford City will have entertained fourth placed Staines Town, held 1-1 at home by East Thurrock United.

Hendon moved back to third place following their 2-1 win at Horsham – their first win since the start of 2008. Horsham's defeat dropped the Sussex club one place to fill the last play-off place.

Just outside the play-off places are AFC Hornchurch, beaten 2-1 at Boreham Wood, and Billericay Town, held to a goalless draw by Ashford Town (Middx). Margate won 2-1 at Maidstone United to retain an interest in the play-off places, but Ramsgate, beaten 2-0 at home by Carshalton Athletic, continue their recent disappointing run.

At the foot of the table, only East Thurrock United collected a point, as Leyton, Hastings United and Wealdstone all lost. Carshalton Athletic had a good 2-0 win at Ramsgate, whilst Harlow Town, with three goals in the first twelve minutes, finally beat Harrow Borough 3-2.

Division One North

Leaders Dartford had to wait until injury time to score the only goal of the match against visitors Waltham Forest, as a penalty converted by Jamie Coyle kept the three points in Kent. This allowed the Darts to retain their five point lead against challengers AFC Sudbury, good 3-0 winners at home to Brentwood Town, with Jamie Rowe scoring two of the goals.

Third placed Ware could only draw at Aveley, thus staying three points ahead of Canvey Island, 3-1 winners at Ilford, and Edgware Town, 1-0 winners at home to Arlesey Town.

Just outside the play-off places are Redbridge, 4-1 victors at a struggling Enfield

Town. They are closely followed by Maldon Town and Bury Town, who had beaten Wivenhoe Town 4-2 and Potters Bar Town 2-0 respectively.

Only Witham Town of the bottom eight clubs had won at the weekend, giving themselves breathing space over the seven clubs below them.

Division One South

Dover Athletic took a giant stride to winning the automatic promotion place in Division One South, as they beat second placed Tooting & Mitcham United by the only goal of the game – scored by Craig Cloke after just eighteen minutes – and now lead the London club by a massive thirteen points. The match was watched by a season best at Tooting of 1,041.

There was no change in the three remaining play-off positions, with Cray Wanderers drawing 1-1 at Whitstable Town, Metropolitan Police winning 2-1 against rivals Kingstonian and Sittingbourne returning from a visit to relegation bound Molesey with three points from a 1-0 victory.

Worthing, 2-1 winners at Chipstead, moved up to sixth place, followed by Dulwich Hamlet and Walton & Hersham.

At the foot of the table, 21st placed Horsham YMCA followed up their midweek win with a point from their visit to Walton & Hersham, and now sit seven points behind Corinthian-Casuals with each side just nine games to play.

Elsewhere Eastbourne Town picked up three valuable points from a 4-1 home win against Ashford Town, whilst Chatham Town beat Walton Casuals by the only goal of the game.

Ryman Youth League

A busy week for the Ryman Youth league clubs, with five League matches and two Isthmian Youth Cup matches played.

Leaders AFC Wimbledon returned from a visit to the strong Worthing side with a point from a 1-1 draw, to move two points clear of second placed Croydon Athletic. Then the following night, the Athletic failed to take top position as they lost to the much improving Maidstone United in Kent by a 2-1 scoreline.

Leatherhead beat Carshalton Athletic 3-2 in Surrey on Wednesday evening to retain third place, just ahead of Kingstonian, 2-0 home

victors against Tonbridge Angels. In the final match, Horsham beat neighbours Horsham YMCA 2-1 – the first time the two Horsham clubs have met this season.

In the Isthmian Youth Cup, Staines Town beat Southern Junior League club Walton & Hersham 7-2 in a much delayed First Round tie, whilst Leyton travelled to Brentwood Town in their Second Round match, returning home with a 2-0 win and a trip to Boreham Wood in the Quarter-Finals.

CLUB GOSSIP

AFC WIMBLEDON

Romone Rose is relishing the chance to prove his worth to Dons boss Terry Brown after scoring his first league goal for the club against Margate on Tuesday night. The 18-year-old is on a work experience contract from Championship outfit QPR, but could be recalled at any time.

"It felt brilliant to score my first league goal for AFC Wimbledon," said Rose. "I've been sitting on the bench but it's nice to start. I felt like I'd done well when I came on in those games, I worked hard and now that I've been given a start I've had a chance to show the manager and the fans what I'm made of."

"Terry said I did really well and told me to keep up the good work. I'm forming a good partnership with Luis Cumbers - I like playing with him because he's a good player." Rose says he has enjoyed the challenge of playing Ryman League football, and would be pleased to remain until the end of the season.

"I'm happy to stay," he said. "I like it here and I'm looking to score more goals and to learn. QPR can bring me back whenever they want so I don't know how long I'll be here, but I'm enjoying my time at Wimbledon. It's all good experience for me."

AFC SUDBURY

King's Marsh, the home of AFC Sudbury, has been chosen by the Football Association to host one of the semi-finals of the F.A. Carlsberg Sunday Cup.

On Sunday 16th March, AFC Sudbury will host the tie between Brantham Colts and Coundon Conservatives, the holders of the trophy.

AFC Secretary David Webb said, "We are delighted to have been selected by the F.A. to host the game, it shows that they think we as a club are capable of dealing with such a fixture. I'm sure that the game will attract quite a crowd."

The final will be held at Anfield in April.

ARLESEY TOWN FC

It is back to the old school for Arlesey Town until the end of the season.

After the departures of chairman Terry Back and player-manager Danny Honeyball, the Blues have moved quickly to address the managerial vacancy.

Matt Corbould, Lee Tekell and Andy Theodosiou - who all played a few years ago under the successful reign of Nicky Ironton - are the trio in charge until the end of the season.

A new permanent boss is expected to be appointed over the summer, while several names are in the frame to take over as chairman at Hitchin Road.

Several old boys have already returned or expressed an interest in returning to the playing ranks including the likes of Leon Gutzmore, James Dillnutt, Craig Reynolds, Martyn Young, Stuart Beevor, Paul Bloss and Dean McElroy.

BURGESS HILL TOWN FC

Sheheen Sadough scored for Burgess Hill Town on Tuesday in his second match after his return from Woodside Road.

The first-season Ryman League striker went back to Leylands Park last week after losing his confidence, partly from crowd reaction to his failure to score, ultimately in any of his nine starts or two substitute appearances in Rebels red. He was tried by Worthing's team management up front in a 4-4-2, and in a 5-4-1, then at wide-right midfield (though not at left-back . . .) but his inexperience will have been one factor in his lack of success.

However, back under Jamie Howell at Hillians, he was sent off on Saturday, then scored their goal in a 1-1 draw at Croydon Athletic on Tuesday that kept his club on the fringe of the scramble for the final promotion play-off place. The most pessimistic Rebels fans will be hoping Hillians do not strike gold with Sadough back on board and sneak that prized spot ahead of Worthing, whose joint-boss Alan Pook said the restoration of the player's confidence was the purpose of his release.

CHELMSFORD CITY FC

Chelmsford City have added to their wealth of defensive talent by completing the capture of former Chelsea, Dundee and Columbus Crew player Joel Kitamirike.

Kitamirike, 23 years old and originally hailing from Uganda but developing in East London, can boast a U.E.F.A. Cup appearance for the Stamford Bridge outfit against Hapoel Tel Aviv as recently as 2001 and spent a period in the United States of America with M.L.S. outfit Crew.

With several key defenders carrying knocks or injuries, the Management Team have acted to bring in reinforcements and the calibre of the ex-Brentford and Mansfield Town prospect, who has also represented England at Under 15s level, will have pleased Jeff King and Glenn Pennyfather.

Joel has spent the majority of this campaign in the Blue Square Premier at Weymouth and has full international clearance to enable him to be selected for today's trip to Folkestone Invicta. Having spent time being nurtured at Chelsea alongside the likes of Marcel Desailly and Gianfranco Zola, it's hoped the Clarets' newcomer can have a positive impact on the team's push for the title.

CHELMSFORD CITY FC

"One point gained" was the positive attitude displayed by Head Coach Glenn Pennyfather following the Clarets' goalless draw at The Buzzlines Stadium, Folkestone, City putting their previous poor record in Folkestone behind them to add another point towards their quest for automatic promotion.

Chelmsford lost ground on second-placed A.F.C. Wimbledon who won at home to Hastings , reducing City's lead at the top to eight points, though that was of little concern to Jeff King's sidekick, who responded: "We would have expected Wimbledon to beat Hastings anyway so there's no surprises there. I took a look at the stats recently and that result is certainly one I could have predicted. On a lighter note, I also know we don't have a good historical record at this ground so we're glad of the point away from home."

Two massive games now present themselves as Chelmsford host fellow contenders Staines Town and the Dons both at Melbourne on successive Saturdays, and Glenn is under no illusions as to what form the task ahead takes: "You always look to win your home games and take at least a point from your away ones. We've had three clean sheets on the spin now and this can only help with our confidence in defence."

CRAY WANDERERS FC

By reaching the final of the Kent Senior Cup this season, Cray Wanderers have written yet another chapter in their relentless success story under manager Ian Jenkins.

Cray's route to the final began with wins against Maidstone United and Whitstable Town by 2-1 and 3-0, followed by last Tuesday night's astonishing 6-1 defeat of the holders Bromley in the semi-final at Hayes Lane.

Jenkins is the first manager in living memory to take Cray Wanderers into a Kent Senior Cup final, for the club's only previous appearance in the final was in 1901!

The Wands were defeated on that occasion, but Jenkins will hope that his in-form side can lift the cup when they take on the winners of the Margate v Ebbsfleet semi-final that is to be decided on 31st March. Cray do not yet know the venue or date of the final, but it will likely come at the end of a season that Jenkins hopes will also culminate in the Wands winning promotion from the Ryman Division One South into the Ryman Premier.

Cray's improving fortunes under Jenkins began in earnest with two consecutive Kent League championships in 2002-03 & 2003-04, earning promotion for the club into the Ryman Division One. That rise in status brought with it a return to playing in the Kent Senior Cup for the first time since 1975.

Jenkins and his players, and Cray supporters will undoubtedly look forward to their big end-of-season game in the Kent Senior Cup final come the end of the season. But the shrewd Cray manager will certainly be impressing on his players the continuing first priority of seeking promotion to the Ryman Premier.

Cray currently sit third in the Division One South table, unbeaten in nineteen League games and playing some cracking football. A continuation of that form should secure at least a place in the end-of-season play-offs, although Jenkins hasn't given up hope of overhauling the long lead enjoyed by table-topping Dover Athletic who will gain the one automatic promotion place if they are still top by 26th April.

CROYDON ATHLETIC FC

Rams boss Jerry Scola left his post as First Team Manager by mutual consent this week. The Board and everyone associated with Croydon Athletic would like to thank Jerry for everything that he has done for the Club since he was appointed as Assistant Manager in season 2006/2007 and then Manager towards the end of the same season. He has worked extremely hard during his tenure and the Club would like to take this opportunity to thank him for all his hard work and dedication and to wish him well for the future.

Assistants Peter Booth and Peter Thomas took charge of the team against Burgess Hill Town at the KT Stadium.

The Club later in the week announced that Dave Garland had been appointed as the new First Team Manager. Dave joins Croydon Athletic from Whyteleafe FC where he has recently held the position of Assistant Manager having joined them earlier in the season from Carshalton Athletic FC who he managed for the past few seasons.

ENFIELD TOWN FC

Following Town's recent drop in form, Jim Chandler offered to step down as Manager of Enfield Town FC. Jim's resignation was accepted and the Club now look to appoint a

replacement.

It is a sad day for Town, where Jim Chandler has been manager since day one. An ex-Enfield FC manager, taking Preston North End to a replay at St Alban's Clarence Park, Jim helped to build the club, often literally, into what it is today. Drawing on a range of contacts, Jim built a team from scratch back in 2001 to begin playing friendlies and then moulded a formidable side finishing Runner's Up in the Essex Senior League in the debut season, and winners in only the second season of existence. Since then Town won the Essex Senior league a second time, and have only finished outside the top three once when they dropped to fourth spot. A host of trophies and Senior County Cup finals have marked the success of Jim's sides over the years.

Failing to clinch automatic promotion narrowly in recent years, Town were unable to progress via the Play off route. An unsettled side this season has left the club outside the play off places and struggling to recreate the form of previous seasons.

Jim has decided the time is right for change and he is to step aside from the club he loves and give some one else a chance. The club and its supporters cannot thank Jim enough for the huge contribution he has made over the years and wish him all the best for the future. He will always be welcome at Goldsdown Road.

Enfield Town Vice Chairman Martin Cantrell said 'Jim's contribution from the outset has been instrumental and cannot be underestimated. We can't thank him enough for what he has done and he will have a permanent place in the history of this club'.

Now it is time to move on and a successor will be announced shortly.

Saturday's game at home against Redbridge was Jim's last game in charge and it is hoped that Supporters will come along and show their appreciation for all Jim has done over the years.

FOLKESTONE INVICTA FC

FOLKESTONE Invicta manager Neil Cugley has pulled off a coup after signing a striker from Championship side, Colchester United.

Tom Webb, 19, has signed for the Ryman Premier League strugglers for a month and went straight into the side for Saturday's clash with league leaders Chelmsford. He has not

played for the club's first team in the league so far this season, although he has scored five goals for the U's second string this season.

A delighted Cugley told Kent News: "We are really pleased to sign Tom. Our strikeforce has been a problem all season as we have not been able to replace some of the good strikers that have left the club - now we hope we have a solution. He will give the strikers at the club competition for places. He is an out-and-out goal scorer and has a reputation of scoring a lot for the reserves and he can hold the ball up well.

"He should be able to play six games for us in his loan period and there is a chance we can extend the loan. He hasn't been getting a lot of first team football and this is an opportunity for him to express."

Cugley has been working hard trying to bring a striker to the Buzzlines Stadium and his contacts have come up trumps.

He said: "I have got a contact at Colchester and I have been on the phone to many clubs trying to find players. There are lot of league players that are going on loan to Ryman league clubs and it is always good to keep in favour with the big clubs, especially with Gillingham being the only big club in the county."

HENDON F.C.

When Hendon travelled to Leyton on 15th December, they had scored 39 goals and had amassed 39 points in the Ryman League Premier Division. It took only 67 minutes for the Greens to go to 50-goal mark as they registered a club Ryman League record 11-1 victory, all the goals coming in the final three-quarters of the game. Reaching the 50-point mark proved somewhat harder. In fact it took Hendon 77 days and 11 matches to move out of the 40s and, with their 1st March victory away to Horsham, the third-placed Greens were only two places lower down the table than where they were after winning at Leyton.

ILFORD F.C.

After a battling performance against Arlesey Town last Saturday, Ilford manager Les Whitton is confident his bottom-of-the-table side can escape relegation from Ryman League Division One. The Foxes are eight points from safety and are in danger of being relegated, but Whitton believes they are not finished with 10 games still to go.

"We can definitely stay up," Whitton said

confidently. "There are 30 points to play for and I'm greatly encouraged by what I have seen in the last two performances. We dominated both games from start to finish. Their attitude and work-rate was fantastic."

Ilford were narrowly beaten 2-1 at Arlesey Town in a game where the Foxes were unlucky not to take at least a point from.

"When you're down at the bottom your luck seems to go against you," Whitton lamented. Our luck will come though. The defence were maybe a bit naïve for both of their goals and with the first maybe took it a bit easy and should have closed down earlier. But it was a cracking goal and no keeper could have saved it."

MAIDSTONE UNITED F.C.

MAIDSTONE United striker Lyndon Rowland is set to miss the rest of the season after damaging knee ligaments in Premier Division derby defeat against Tonbridge Angels.

the Ryman League The 32-year old experienced marksman scored his 10th goal of the season in the 2-1 defeat at Longmead Stadium, before limping off seven minutes from time. Joint-boss Alan Walker said: "It's a big blow to lose Lyndon. He has still to see a specialist, but I think he could be out for sometime. We will miss him because his work-rate and commitment are first class."

POTTERS BAR TOWN FC

Potters Bar Town Football Club boss Steve Browne has bolstered his attacking options by bringing in a new striker. Browne signed former East Thurrock United and Heybridge Swifts man Kenny Kennedy last Thursday.

The 22-year-old made his Scholars debut on Saturday in the 2-0 defeat away at Waltham Forest a week ago. Kennedy, who can also play wide, completed the full 90 minutes against the London club. Sam Adejokun partnered the new man up front, but despite having a few chances the duo did not manage to find the back of the net.

SITTINGBOURNE FC

Gary Abbott, manager of Sittingbourne Football Club since December, continues to bring new players to the club. His latest signing is 16 years old Antony Glover, brother of midfielder Bryan Glover. Antony impressed Abbott so much in training that he was immediately awarded a place on the bench for

last Tuesday's league match at home to Horsham YMCA. Eight of the players who featured in last Saturday's match at home to Walton & Hersham are players Gary has bought in.

Leaving Sittingbourne recently are Steve Hafner who has joined Chatham Town and two long serving players who have found it hard to get a place in the starting line up.

They are James Campbell who is expected to join Walton & Hersham and Toby Ashmore. Also left is another long serving player, Kieran Marsh, who has embarked on a round the world trip.

Sittingbourne's goal keeping coach, Steve Williams, has stepped out of retirement for three matches to replace Chris Lewington who is serving a three match ban after being sent off against Metropolitan Police. Steve has certainly not lost his touch as proved by him keeping clean sheets against play off rivals Tooting & Mitcham and Walton & Hersham. Steve Williams first played for Sittingbourne as long ago as 1995.

Sittingbourne Football Club are holding a Sportsman's Dinner at the Sittingbourne Golf Club on Thursday 20th March 2008 with their guest the referee, the controversial & opinionated Graham Poll.

Graham Poll is an excellent after dinner speaker combining his sporting experiences with his experience of the sales world, producing a humorous and insightful view of the side of the referee & many other anecdotes from this beautiful game. Often controversial & certainly opinionated, a great evening's entertainment is anticipated.

Tickets are priced at £50 each, or £45 if buying ten. Contact Gary Johnson on 07957 424810 or Peter Harris on 07904 011732.

STAINES TOWN FC

Howard and Jake Newton of Staines Town became the club's first serving players to become full internationals over the weekend, when they appeared for their father's homeland, Guyana.

Having travelled to the South American country to take part in the training camp the previous Wednesday, the pair were included in the starting line-up for Guyana's match against one of the top Caribbean nations, Cuba, played at the GCC, Georgetown, a game which ended in a very creditable 0-0 draw.

TOOTING & MITCHAM UNITED FC

Tooting & Mitcham United Football Club starlet Dorian Smith admits he is on cloud nine after securing a contract with Championship heavyweights Charlton Athletic. The 20-year-old, whose silky skills have aided the Terrors' Ryman League Division One South promotion charge this season, signed for the London club on Monday.

And the midfielder confessed that the recent weeks had been something of a blur. "It has been a crazy six weeks to be honest," Smith said. I cannot believe this is happening. I have always had faith in my ability but it is nice for others to tell you you're good."

Smith has signed until the end of the season after impressing Addicks coaching staff while on trial. Part of the deal will see Smith loaned back to the Terrors for the title run-in.

Smith said: "Tooting boss Billy Smith is good friends with Alan Pardew and he told him to come and have a look at me. Then I went on trial there and I did well.

"If Tooting are playing, I will play for them. If they are not, I will play for Charlton."

The Peckham youngster will be hoping to follow the trail blazed by former Dulwich Hamlet star Chris Dickson, who made the move to the Valley 12 months ago.

Smith added: "Chris set the target for everyone in non-League football. I can learn a lot from him. He proved it was possible to make the jump. I just need to put my head down and concentrate. I will be working on my fitness; looking at what I am eating. I will not let anything distract me from my goal."

TOOTING & MITCHAM UNITED FC

Tooting & Mitcham United Football Club Youth team reached the Final of the Surrey FA Under 18 Youth Cup this week when they beat Whyteleafe 3-2 in the semi-final on Thursday evening. Michael Antonio scored two of their goals, one from the penalty spot.

The will now meet Sutton United in the Final to be played on their own ground on Thursday, 1st May 2008.

WALTHAM FOREST FC

Ged Searson the manager of Waltham Forest added a further three names to his squad last night.

The first is Jordan Clarke, who is originally from Somerset but is currently playing for Greenwich University. Matthew Love has been signed from the same University team, and Michael Georghiou has made the switch from Frenford Seniors.

Meanwhile, Manny Sackey has been released and joined Northwood.
