FINAL TABLES SEASON 2012/13

Foreword by Craig Johnson

Respect Co-ordinator for the Ryman League

This is the second season we have run the Ryman League Respect Programme, in line with the FA National Initiative.

Having achieved the Regional Silver and the National Gold Awards for the 2011 / 12 season, it was always going to be difficult to retain those titles.

The League did achieve the regional Silver Award this time round, but despite equalling our on-field performance of the previous season we were denied the prestige of the Gold Award. The adjudicating panel favoured our counter parts in the Northern Premier League on this occasion, even though they had declined to take part in the Disciplinary pilot scheme.

Despite a lot of work behind the scenes football, as we know, is a results business and the deciding factor was no doubt that the Northern Premier League had reduced their dissent cautions for the 4th season running.

The League is, in numerical terms well behind the NPL, and a big effort by all Clubs will be needed if we are to be awarded Gold in 2014. The challenge we have set ourselves is increasing members to 72 clubs (an increase of 10%), but managing to keep the cautions at the same level, or dare I say, reduce this season's total of 512.

Collectively we can achieve this. Let's get that total below 500.

The Board has a few ideas for next season that are being addressed, and we will have more information at the pre-season meeting.

In the meantime, thank you for your support, enjoy the summer, and see you in August.

This division was very close with Carshalton Athletic & Bognor Regis Town finishing on the same number of points. The Robins achieved the award as they received just a single dissent caution compared to the Rocks' three. Bognor's Technical Area should be applauded for completing the whole season without an adverse mark, 27 Excellent & 15 Good marks being awarded.

Wroxham took the title in this division, managing to complete their full League programme without one yellow card for dissent. Harlow Town pushed them all the way also with an unblemished record, the only Clubs out of 66 to achieve this. Wroxham's Technical Area worked in their favour to pip their challengers.

Heybridge Swifts deserve a mention as they led the table all season until the final month, but fell away with 4 dissent cautions in their last 6 games.

This was the closest division, with the 3 best performing Clubs in the division also leading the way across all divisions. It therefore went down to a tie-break, with Technical Area marks being the deciding factor. This produced a clear winner in Crawley Down Gatwick.

Walton Casuals finished in 19th position, with a very good Technical Area performance, only 2 points. Unfortunately the 17 dissent cautions on the pitch resulted in a 19th place finish.

At the wrong end of the table, Tooting & Mitcham United's performance could not have been more contrasting, 2011/12 saw them receive one dissent caution, but sadly it all changed this season, with a total of 14.

Leiston piped Margate & Bognor Regis Town to the Fair Play title by the narrowest of margins, 2 points separating each Club.

At the wrong end of the table, Wingate & Finchley's 5 dismissals in one game did not help their position and they finished the season with 392 points, an average of more than 9 points per match

Thamesmead Town proved that good discipline helps with a settled team and subsequently assists with success on the field of play by adding the Fair Play award to their promotion to the Premier Division. Witham Town are to be congratulated having finished second in their first season back in the League after promotion from Step 5.

Whilst Ware were rooted at the bottom of the Fair Play table although their points record was 15% compared to their tally in 2011/12.

Four clubs deserve special praise for completing the season without a dissent caution. Kingstonian, Tooting & Mitcham United, Sevenoaks Town and Potters Bar Town. Kingstonian were the award winners by having the least overall cautions.

It is hoped that the Clubs at the foot of the table instil in their youngsters next season the importance of Fair Play and Respect.

Alan Turvey League Chairman "Firstly my thanks and appreciation to League Director Craig Johnson who has done an excellent job in co-ordinating the Respect Programme for the last two seasons. As you will be aware for season 2011/2012 we received the Regional Silver Award and National Gold Award and for season 2012/2013 we have received the Regional Silver Award. The Respect Programme is here to stay and if we are to be successful the support and co-operation of all Clubs, Team Management and Players is vital. I ask that you do everything possible to support Craig and the League in this important area to ensure that the Ryman Football League for season 2013/2014 achieve once again the GOLD Award.
